Trysull and Seisdon Parish Council

Best Kept Village Competition

Spring is just around the corner and what better time to announce the Parish Council will be entering **Staffordshire Best Kept Village Competition 2023**.

However it's a not just the Parish Council driving this entry, it's all of us to take pride in the beautiful place that we live. It takes a community effort to win a competition such as this.

Whilst the council has made great efforts to improve our environment with new village welcome signs, new benches and regularly refreshed planters that we all enjoy as we travel around and between the two villages, there are plenty of other ways residents can get involved and do their part.

First off are the **Tidy Up Teams**, which will focus on key mini projects which will help smarten up the village. These include.

- Tidy up Seisdon village green and surrounding area.
- Tidy up Trysull village green and surround area.
- Litter picks around the villages in key problem areas.
- Village hall overflow carpark verge tidy

We're planning to organise some **Tidy Up Teams** on Sat 25 March, Sat 15 April and Mon 8 May. Look out for more information on the Parish Council Website (see the QR code).

We can all help too by looking after our own plots and a little extra effort can go a long way. Things we can all do are.

- Keep the front of our homes tidy, including regularly sweeping the kerbs, which also helps to keep the drainage gullies clear and prevents flooding.
- Regularly trimming lawns, hedges and grass verges.
- Add some colour to your front gardens with planting, pots and hanging baskets.
- There are also competitions to enter, one for adults and three for children, use the QR code below for more info.

So lets all work together to make our villages the best in Staffordshire!
