

## Trysull and Seisdon Parish Council- District Quarterly Review Article

It has been an important and exciting year. Important because of the exit from Covid restrictions that allowed projects to re-commence and exciting because the Parish Council has been able to deliver some significant, planned and promised results. The Parish Council takes pride in this pro-active approach and encourage volunteers to also focus on 'Visual Parish Improvements' much of which would not have been achieved without their precious time and hard work.

So, what has this splendid team work achieved for the Parish this past twelve or so months?

- Telephone Box Renovations
- Bug Hotel – Trysull School
- Dangerous Railings Removal
- New Flags for Village Green
- New Planters and their Seasonal Upkeep
- New Parish Benches / Base Renovations
- Shelter Painting / Renovations
- Play Area Repairs / Fence Repairs and Painting
- Best Kept Village Entry – Nominal prize winner
- Community Speed Watch Training
- Additional Bins / Grit Bin
- Tree Pollarding / Verge Improvements and Tidying
- Replacement Oak Posts at the Pavilion Car Park
- Village Hall Gate and Fence Repairs
- Christmas Tree Lights
- Parish Calendars / Free Whole Parish Distribution
- Monthly Parish Magazine Articles (Up-dates on Council Affairs)
- Parish Council Web-site Improvements
- Public Defibrillator (Donated by Henry Angell-James Memorial Trust)
- Defibrillator Training
- Jubilee Canopy / New Playing Field Benches
- Jubilee Coins for Trysull School pupils
- Seven New Village Signs
- Weekend of Jubilee Celebrations

The later event was a particularly memorable weekend with the Parish Council organising Parish Meetings to co-ordinate planning with the other invaluable Parish organisations; Trysull School, the Parochial Church Council, the Village Hall Committee, the Playing Fields Association and the Active Pensioners Association, the Women's Institute and many other local Volunteers. All of whom helped make the Jubilee Celebrations a true community event.

We have had some splendid feed-back from parishioners on our very noticeable achievements and this is indeed no better encouragement to continue to make a difference and deliver more of the same.

Parish Chairman – Cllr. A. Hingley-Smith
