	Mr. M. Smith	
	Cllr. Mrs. V. Wilson	County and District Councillor
APOLOGIES	Mr. J. Harris	

Also present several residents from Trysull

DECLARATION OF INTERESTS AND DISPENSATIONS

None

PLANNING APPLICATION

P/A 22/00237/FUL, 2 bungalows replacing garages, School Road, Trysull

Residents from Trysull attended this meeting to express their strong concerns regarding this application. The narrow access at the top of School Close was discussed and residents were advised to forward individual objections on the planning portal.

It was agreed the Parish Council will express their concerns re:

- 1) The narrow road and the further narrowing and restricted access point to the proposed development. This may necessarily create interference with neighbouring private land during and after construction.
- 2) There is no clear turning point for potential construction traffic which would create issues in terms of access to existing driveways and dwellings in School Close.

Councillors will draft appropriate comments for approval.
