# Best Kept Village 2023

Trysull and Seisdon Parish Council are very pleased to announce that we will be entering **Staffordshire Best Kept Village Competition 2023**.

However, it takes a community effort to win a competition like this and there are plenty of ways you can get involved

and do your part. First off are the **Tidy Up Teams**, which will focus on key mini projects which will help smarten up the village on Sat 25 March, Sat 15 April and Sat 27 May. These include.

- Seisdon village green and surrounding area.
- Trysull village green and surrounding area.
- Litter picks around the villages in key problem areas *(Only tidy where safe to do so avoiding busy roads etc)*

We can all help too by looking after our own plots and a little extra effort can go a long way. Things we can all do are.

- Regularly trimming lawns, hedges and grass verges.
- Add colourful plants, pots or hanging baskets to your front garden.
- Keep your kerbside swept to help keep our streets looking tidy.
- There are also competitions to enter for children and adults.

So let's all pull together to make our villages the best in Staffordshire!
