

Best Kept Village 2024

This year we're entering Staffordshire Best Kept Village 2024 and we need everyone to help out just a little bit...

...and that can be as simple as keeping your front garden swept and tidy, or just planting up a new hanging basket.

There are lots of other ways to get involved too, by joining one of the Tidy Up Teams to.

- Community litter pick
- Tidy up the village centres
- Focus on problem areas

The next Tidy Teams will be:

4 May 10.00am	Trysull
18 May 10.00am	Seisdon
1 June 10.00am	Trysull
